Another shortie akin to "Afternoon" or "Coffee Shop", but one that felt a bit more constructive in it's build compared to the previous ones. It does seem almost fortuitous that Takashi keeps coming across beautiful women even in "these short situations", but it is still fantasy...besides, at least there was an excuse for the sex of "blowing off tension of the day" instead of just "let's just do it for no apparent reason".

**I would like to add that
sayaman helped clean
chapter 27 of desire**

Aside from the stupidity, this chapter somehow reminded me a bit on my previous translation works when I did "AiKola" for a while...well OK, AiKola didn't have any fetish-based sex scenes, but considering that there was some matter regarding hand fetishes and the fact that the female in this chapter is named after a girl in "Mahou Sensei Negima" (yeah really stupid to say that...but considering that this girl is "Kazumi" and the main heroine in AiKora is a Sakurako...and the "Sakurako" in Negima is that memorable to me...I'll shut up now) But yeah...at least it wasn't a voice fetish.

TN: I was sort of afraid that suddenly Shinobu was going to take her shinai and put it up her privates and get off with that...but luckily this chapter didn't go that far. You can't tell in this series...but with that stupid thought out of the way, this was a really good chapter. For some reason, stories which draw back to past situations leading to present problems for the most part become great storytelling means. (OK for the most part, I'm more talking about chapters like this and 'Hatsunode', not nightmares like 'Aunt' or...or...or.....'Tandem') I guess some would call strange her motive of using her womanly side to stop Takashi, but it was all or nothing: considering that it was her female and male sides colliding between being a woman and being a kendoist, it was a crucial matter that sort of had to be addressed...and in this sort of series, it could have gotten kinkier so luckily it didn't! (then again I sort of wished we got a bit more with the girls that she teaches...I mean, what was with that one in the bar at the start!?)

terah is in a search for a boyfriend. if you are into anime and serious in looking for a partner email me at emeralda@xclixartty.com she want a guy that is sensible and has good judgement in life. she want him to be mature and very understanding. Since she wants a mature guy, she prefers the guy to be in the late twenties or early thirties. terah is serious, she will eat you if you just play around (ps. keep this a hush hush deal, she doesnt know i played around her releases)

TN: Well we learned a major lesson in this chapter: pick the wrong girl (regardless of shyness, cuteness or bustyness)...get bound, gagged and left on waves and rocks by the one who loses! Yeah, some could probably say that Maho was the one who left Kazuki there, but the previous page suggested it was obviously an angry Miki who found out about how his lust was used for another girl and, with nothing left in the tank after the shy girl, decided to get back at him! (it's disturbed to see him like that...I just hope it didn't get even more disturbed on what happened) Maho was more impressed in succeeded in at least getting a bit more over her shyness...maybe the whole lesbian situation was a tad much in doing so, but I guess it was more a shock to her system...that or it's "Sapphism" all over again. (yeah, girls schools always seem to lead to lesbianism in these sorts of series) Once again I sort of wished we got more data on the other girls but it probably would end up making things more complicated.

TN: OK. LET'S MAKE A CHECK BEFORE WE CONTINUE: WAS HITOMI ACTUALLY A MAN...OR A WOMAN WHO HAD REPLACEMENT SURGERY...OR JUST...SORRY, YOU HAVE TO BE A BIT PARANOID AFTER THIS SORT OF CHAPTER. YEAH, IT WAS OBVIOUS SHE WAS FEMALE THROUGH AND THROUGH, BUT WITH THE CROWD SHE HANGS OUT WITH, YOU HAVE TO MAKE SURE. (THEN AGAIN IT WAS THAT...OR HAVE TAKASHI SPEND HIS CHAPTER WITH THAT OTHER PERSON...AND WHO KNOWS WHAT DIRECTION THIS SERIES WOULD TAKE WITH THAT) IN A WEIRD WAY, THE CHAPTER SORT OF FELT DISJOINTED, BUT PROBABLY IT'S MOSTLY DUE TO HOW IT WAS PRESENTED. IN SOME WAYS, THE SEX SCENE JUST FELT TACKED ON JUST TO HAVE A SEX SCENE (SINCE, WELL, THAT'S WHAT THIS SERIES HAS) AND TO HAVE TAKASHI COATED IN HITOMI'S LOVE JUICES, BUT PRIOR TO THEN, I FOUND HITOMI TO BE AN INTERESTING CHARACTER WHO HAS LEARNED TO COPE WITH HER AGE AND WITH FAILURES AND SUCCESSES. I GUESS IF THIS WAS ANOTHER SERIES, IT PROBABLY COULD HAVE GONE IN ANOTHER DIRECTION THAN FINGERING...BUT THAT'S WHAT DESIRE IS. (BESIDES, IF TAKASHI WENT BACK TO CLUB LEI LIKE HE CONTEMPLATED AT THE START...SHE COULD TRY TO START ON HIM AGAIN...AND WITHOUT KAZUKI AROUND, HE MAY ACTUALLY BE MORE THAN JUST A TARGET)
